The Accelerated Benefits Option ("ABO")

Please read the following important information before completing the attached ABO claim form:

- Claiming an accelerated benefit will reduce the amount of your life coverage in effect and will reduce any life coverage eligible for conversion.
- Please review your Group Insurance certificate or Summary Plan Description to determine whether a mortality and interest charge is applicable to the ABO provision of your Group Life coverage.
- If applicable under your particular Group Insurance plan, the amount of accelerated benefits you claim will be discounted to collect the interest lost between the time an accelerated benefit is paid out and the average expected time that death occurs. This mortality and interest charge incorporates an assumed rate of return for monies that could have earned interest had the funds not been paid out, and a minimal expense charge. The mortality and interest charge is subtracted from the payout which you have requested to be accelerated, limited by the maximum amount of payout for which you are eligible.
- If any of your Group Life benefits have been assigned to someone else, the ABO is not available to you or your assignee.

Applying for an Accelerated Benefit
If, after you have given careful consideration to the ABO, you wish to claim an accelerated benefit, please complete the Claimant's Statement and Medical Authorization portion of the claim form, have your doctor provide the requested information, and return the completed claim form to your Employer.

An Example
The following illustrates in a general way how ABO works. Please refer to your Group Insurance certificate or Summary Plan Description for details of the specific provisions that apply to your coverage.

You currently have $50,000 of Group Life Insurance and your plan allows you to accelerate up to 50% of your coverage if you meet specified criteria.

Non-Discounted ABO Provision:	
Your current coverage:	$50,000
Amount accelerated:	$25,000
Net accelerated payment:	$25,000
Remaining Group Life Insurance Payable to Your Beneficiary:	$25,000

Discounted ABO Provision:	
Your current coverage:	$50,000
Amount accelerated:	$25,000
12% mortality and interest charge (25,000 x .12):	-$3,000
Net accelerated payment:	$22,000
Remaining Group Life Insurance Payable to Your Beneficiary:	$25,000

You may elect to accelerate a lower percentage if you wish.

Dear Claimant:

Attached is the material you have requested about MetLife's Accelerated Benefits Option ("ABO") for your Group Insurance plan.

Under the ABO, if you are diagnosed as having a terminal illness, with a life expectancy of twelve months or less, you may be eligible to receive a portion of your Group Life benefits. This option can provide financial assistance and flexibility in a crisis; therefore, it is important that you are aware of it.

The accelerated life insurance benefits offered under your certificate are intended to qualify for favorable tax treatment under the Internal Revenue Code of 1986. If the accelerated benefits qualify for such favorable treatment, they will be excludable from your income and not subject to federal taxation. Receipt of accelerated death benefit payments may be taxable for purposes other than federal income tax. Tax laws relating to accelerated benefits are complex. You are advised to consult with a qualified tax advisor about circumstances under which you could receive accelerated benefits excludable from income under federal tax law.

Receipt of accelerated benefits may affect your eligibility, or that of your spouse or family, for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), Supplementary Social Security Income (SSI), and drug assistance programs. You are advised to consult with social services agencies concerning the effect receipt of accelerated benefits will have on public assistance eligibility for you, your spouse, or your family.

Approval of this claim is subject to an independent medical review by MetLife.

Please refer to your Group Insurance certificate or Summary Plan Description for details on the specific ABO provision for your MetLife Group coverage(s).

Sincerely,

MetLife Group Life Products
