

The 100% Club – Services Covered at 100% in Network

You heard it right. As part of your JHU medical and dental plans, you have access to some services that are covered at 100%. This means you pay nothing out-of-pocket as you receive these services when you use network providers. So, get smart with your money by taking advantage of these benefits and making them part of your healthy lifestyle.

Covered at 100% in network – Dental Plans

- Diagnostic and preventive screenings
- X-rays
- Office visits (CareFirst BlueCross® BlueShield® and CIGNA dental plans only)
