CDI-7AB

LONG TERM DISABILITY BENEFITS

How do We define Disability?

Disability or *Disabled* means that *You* satisfy the Occupation Qualifier or the Earnings Qualifier as defined below.

CDI-9AA

Class 1

Occupation Qualifier

Disability means that *Injury* or *Sickness* causes physical or mental impairment to such a degree of severity that *You* are:

- 1) continuously unable to perform the *Material and Substantial Duties* of *Your Regular Occupation*; and
- 2) not *Gainfully Employed*.

CDI-10CB

Class 2

Occupation Qualifier

Disability means that during the *Elimination Period* and the following 24 months, *Injury* or *Sickness* causes physical or mental impairment to such a degree of severity that *You* are:

- 1) continuously unable to perform the *Material and Substantial Duties* of *Your Regular Occupation*; and
- 2) not *Gainfully Employed*.

CDI-10AB

After the *LTD Monthly Benefit* has been payable for 24 months, *Disability* means that *Injury* or *Sickness* causes physical or mental impairment to such a degree of severity that *You* are:

- 1) continuously unable to engage in any occupation for which *You* are or become qualified by education, training or experience; and
- 2) not *Gainfully Employed*.

CDI-11AB

Earnings Qualifier

You may be considered *Disabled* during and after the *Elimination Period* in any month in which You are *Gainfully Employed*, if an *Injury* or *Sickness* is causing physical or mental impairment to such a degree of severity that You are unable to earn more than 80% of *Your Monthly Earnings* in any occupation for which You are qualified by education, training or experience. On each anniversary of *Your Disability*, We will increase the *Monthly Earnings* by the lesser of the current annual percentage increase in *CPI-W*, or 10%. *CPI-W* means the Consumer Price Index for all urban wage earners and clerical workers in the United States as published by the Bureau of Labor Statistics of the United States Department of Labor or its successors. If the *CPI-W* is discontinued or changed, We may use another index that most closely reflects the cost of living in the United States only with the prior written consent of the Insurance Commissioner of the State of Maryland.

You are not considered to be *Disabled* if You are able to earn more than 80% of *Your Monthly Earnings*. Salary, wages, partnership or proprietorship draw, commissions, bonuses, or similar pay, and any other income You receive or are entitled to receive will be included. Sick pay and salary continuance payments will not be included. Any lump sum payment will be prorated, based on the time over which it accrued or the period for which it was paid.

CDI-13AB19

Loss of Professional License or Certification

If You require a professional license or certification for *Your* occupation, loss of that professional license or certification does not in and of itself constitute *Disability* under the Occupation Qualifier or the Earnings Qualifier.

CDI-14AA

What is the Elimination Period and how is it satisfied?

The *Elimination Period* begins on the day You become *Disabled*. It is a period of continuous *Disability* which must be satisfied before You are eligible to receive benefits from Us. You must be continuously *Disabled* through *Your Elimination Period*.

If You temporarily recover and return to work, We will treat *Your Disability* as continuous if You return to work for a period of less than one-half the *Elimination Period* as shown in the *Schedule of Benefits* not to exceed 90 days. The days that You are not *Disabled* will not count toward *Your Elimination Period*.

Any increases You receive in *Monthly Earnings* during *Your* return to work period will not be taken into consideration when calculating *Your LTD Monthly Benefit*.

If You return to work for a period greater than one-half the *Elimination Period*, or 90 days, whichever is less, and become *Disabled* again, You will have to begin a new *Elimination Period*.

Can You satisfy Your Elimination Period if You are working?

You can satisfy *Your Elimination Period* if You are working, provided You meet the definition of *Disability*.

CDI-15AA

What Disability Benefit are You eligible to receive?

If You are *Disabled*, You are eligible to receive one of the following at any given time:

- 1) an *LTD Monthly Benefit*; or
- 2) a Work Incentive Benefit.

While You are *Disabled*, You might be eligible to receive one or the other of the above, but You cannot receive more than one of these benefits at the same time.

CDI-16AA

What is Your LTD Monthly Benefit and how is it calculated?

Your *LTD Monthly Benefit* will be based on *Your Monthly Earnings* as reported to Us by *Your Employer* and for which premium has been paid.

An *LTD Monthly Benefit* will be provided after the end of the *Elimination Period* if *You* are *Disabled* according to the Occupation Qualifier provision.

We will calculate *Your Gross LTD Monthly Benefit* amount as follows:

- 1) Multiply *Your Monthly Earnings* by 60%.
- 2) The maximum *Gross LTD Monthly Benefit* is \$10,000.
- 3) Compare the answers from Item 1 and Item 2. The lesser of these two amounts is *Your Gross LTD Monthly Benefit*.
- 4) Subtract the Deductible Sources of Income from *Your Gross LTD Monthly Benefit*. The resulting figure is *Your Net LTD Monthly Benefit*.

If a benefit is payable for less than one month, it will be paid on the basis of 1/30th of the *Net LTD Monthly Benefit* for each day of *Disability*.

CDI-17AB

How do We define Earnings?

Monthly Earnings equals the monthly wage or salary that *You* were receiving from *Your Employer* on the *Date of Disability*. It includes:

- 1) employee contributions made through a salary reduction agreement with *Your Employer* to an IRC Section 401(k), 403(b), 501(c)(3), 457 deferred compensation plan, or any other qualified or non-qualified employee *Retirement Plan* or deferred compensation arrangement; and
- 2) amounts contributed to *Your* fringe benefits according to a salary reduction arrangement under an IRC Section 125 plan.

Base Annual Earnings including any other remuneration from the University, but excluding overtime. This "other remuneration" will be the average of the prior two calendar years, or if not employed for the prior 24 months, then it would be the actual average monthly remuneration.

CDI-19AA

What are the Deductible Sources of Income?

- 1) *Disability* benefits paid, payable, or for which there is a right under:
 - a) The Social Security Act, including any amounts for which *Your* dependents may qualify because of *Your Disability*;
 - b) Any Workers Compensation or Occupational Disease Act or Law, or any other law which provides compensation for an occupational *Injury* or *Sickness*;
 - c) Occupational accident coverage provided by or through the Employer;
 - d) Any Statutory Disability Benefit Law;
 - e) The Railroad Retirement Act;
 - f) The Canada Pension Plan, Quebec Pension Plan, or any other similar disability or pension plan or act;
 - g) The Canada Old Age Security Act;
 - h) Any Public Employee Retirement System Plan, or any State Teachers' Retirement System Plan, or any plan provided as an alternative to any of the above acts or plans.
- 2) *Disability* benefits paid under:
 - a) Any group insurance plan provided by or through the Employer that became effective on or after the Policy Effective Date; and
 - b) Any salary continuance plan provided by or through the Employer. Salary continuance is only integrated when the sum of the salary continuance exceeds 100% of the pre-disability earnings.
- 3) Retirement benefits paid under the Social Security Act including any amounts for which *Your* dependents may qualify because of *Your* retirement;

Proration of Lump Sum Awards

If any benefit described above is paid in a single sum through compromise settlement or as an advance on future liability, *We* will determine the amount of reduction to *Your Gross LTD Monthly Benefit* as follows:

- 1) *We* will divide the amount paid (less a pro rata share of the court costs or legal fees incurred by *You* for the compromise settlement or advance) by the number of months for which the settlement or advance was provided; or
- 2) If the number of months for which the settlement or advance is made is not known, *We* will divide the amount of the settlement or advance by the expected remaining number of months for which *We* will provide benefits for *Your Disability* based on the Proof of *Disability* which *We* have, subject to a maximum of 60 months.

CDI-20AB19

What other sources of income are not deductible?

We will not reduce *Your Gross LTD Monthly Benefit* by any of the following:

- 1) deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
- 2) credit *Disability* insurance;
- 3) pension plans for partners;
- 4) military pension and *Disability* income plans;
- 5) franchise *Disability* income plans;
- 6) individual *Disability* income plans;
- 7) a *Retirement Plan* from another Employer;
- 8) profit sharing plans;
- 9) thrift or savings plans;
- 10) individual retirement account (IRA);
- 11) tax sheltered annuity (TSA);
- 12) stock ownership plan;
- 13) any No Fault Auto Motor Vehicle coverage;
- 14) Retirement and Disability benefits paid under a Retirement Plan provided by the Employer except for amounts attributable to *Your* contributions.

CDI-21AB19

Can You work and still receive benefits?

While *Disabled*, *You* may qualify for the Work Incentive Benefit.

CDI-22AA

Work Incentive Benefit

A Work Incentive Benefit will be provided if *You* are *Disabled* and *Gainfully Employed* after the end of the *Elimination Period*, or after a period during which *You* received *LTD Monthly Benefits*.

The Work Incentive Benefit will be calculated during the first 12 months of *Gainful Employment* as follows:

- 1) The *Net LTD Monthly Benefit* amount and *Disability Earnings* amount will be added together and compared to *Monthly Earnings*.
- 2) If the total amount in Item 1 exceeds 100% of *Monthly Earnings*, the Work Incentive Benefit amount will be equal to the *Net LTD Monthly Benefit* reduced by the amount of the excess.
- 3) If the total amount in Item 1 does not exceed 100% of *Monthly Earnings*, the Work Incentive Benefit will be equal to the *Net LTD Monthly Benefit* amount.

After the first 12 months of *Gainful Employment*, the Work Incentive Benefit will be equal to the *Net LTD Monthly Benefit* amount multiplied by the *Adjusted Loss of Salary Ratio*.

The Work Incentive Benefit will cease on the earliest of the following:

- 1) the date *You* are no longer *Disabled*; or
- 2) the end of the *Maximum Period Payable*.

CDI-23AB

What is the minimum Net LTD Monthly Benefit payable under this program?

The *Net LTD Monthly Benefit* payable for *Disability* will not be less than \$100 or 10% of *Your Gross LTD Monthly Benefit*, whichever is greater. The minimum *Net LTD Monthly Benefit* does not apply if *You* are *Gainfully Employed*.

CDI-25AB

What happens if Your other benefits increase?

The *Net LTD Monthly Benefit* will not be further reduced for:

- 1) Subsequent cost-of-living increases which are paid, payable, or for which there is a right under any Deductible Source of Income shown above;
- 2) Increases in Social Security Benefits which are paid, payable or for which there is a right except:
 - a. Changes in family status of *Your* dependents who receive or are entitled to receive benefits because of *Your* Disability or Retirement under the Social Security Act;

CDI-26AB19

How long will You receive benefits under this program?

We will send *You* a payment for each month of *Disability* up to the *Maximum Period Payable* as shown in the *Schedule of Benefits*. Payment of benefits is also subject to any benefit duration limitation pertaining to *Your Disability*.

CDI-27AB

What happens if Your Disability recurs?

If *Disability* for which benefits were payable ends but recurs due to the same or related causes less than or in the 6th month after the end of a prior *Disability*, it will be considered a resumption of the prior *Disability* and will not be subject to a new *Elimination Period* or a new *Maximum Period Payable*. FILING A CLAIM

The Employer can assist *You* with the appropriate telephone number and address of *Our* Claim Department. *You* must send *Us* written notice of *Your Disability* within 30 days of the *Date of Disability*, or as soon as reasonably possible. Notice may be sent to *Our* Claim Department, P.O. Box 946730, Maitland, FL 32794-6730 or given to *Our* Agent.

Claim Forms

Within 15 days of *Our* being notified in writing of *Your* claim, *We* will supply *You* with the necessary claim forms. The claim form is to be completed and signed by *You*, the Employer and *Your Doctor*. If *You* do not receive the appropriate claim forms within 15 days, then *You* will be considered to have met the requirements for written proof of loss if *We* receive written proof, which describes the occurrence, extent and nature of loss as stated in the Proof of *Disability* provision.

Time Limit for Filing Your Claim

The time limit for filing claim forms is 90 days after the end of the *Elimination Period* for loss due to *Disability* and 90 days after the date of loss for any other loss covered by the Policy. The length of the *Elimination Period* is stated in the *Schedule of Benefits*. If it is not possible to give *Us* written proof within 90 days, the claim is not affected if the proof is given as soon as possible. However, unless *You* are legally incapacitated, written proof of loss must be given no later than 1 year after the time proof is otherwise due.

No benefits are payable for claims submitted more than 1 year after the time proof is due. However, *You* can request that benefits be paid for late claims if *You* can show that:

- 1) It was not reasonably possible to give written proof during the 1 year period; and
- 2) Proof of loss satisfactory to *Us* was given as soon as was reasonably possible.

Requests of this nature will only be as often as *We* feel reasonably necessary. If so, this will be at *Your* expense and must be received within 30 days of *Our* request. However, failure to furnish the proof of loss within the time required does not invalidate or reduce a claim if it was not reasonably possible to submit the proof within the required time, if the proof is furnished as soon as reasonably possible and, except in the absence of *Your* legal capacity, not later than 1 year from the time proof is otherwise required.

Examination

At *Our* expense, *We* have the right to have *You* examined as often as reasonably necessary while the claim continues. Failure to comply with this examination may deny, suspend or terminate benefits, unless *We* agree *You* have a valid and acceptable reason for not complying.

If *LTD Monthly Benefits* are suspended while recovery of the overpayment is being made, suspension will also apply to the minimum *LTD Monthly Benefits* payable under the Policy.

The overpayment amount equals the amount *We* paid in excess of the amount *We* should have paid under the Policy.

Claim Procedures

1) Presenting Claims for Benefits

Claim forms may be obtained from: Employer.

Please see Your insurance certificate or booklet for the requirements of the Group Insurance Policy as to notice of claims.

The insurance company will provide notice of benefit determination no later than 45 days after receipt of the claim. This period may be extended by 30 days if it is determined that matters beyond the control of the plan make such an extension necessary. You will receive written notification of the extension and the date by which the insurance company expects to decide your claim prior to the end of the initial 45-day period. If, prior to the end of the 30-day extension period, it is determined that a decision cannot be made due to matters beyond the control of the plan, the period for making the decision may be extended for up to an additional 30 days. You will be notified in writing of the additional extension and the date by which the insurance company expects to decide your claim prior to the end of the initial 30-day extension period. Each notice of extension will explain the standards on which entitlement to benefits is based, the reasons for the delay, and the additional information needed to make a decision on the claim. If the extension is due to your failure to submit information necessary to decide the claim, the time limitations for the insurance company will be tolled from the date the notification of the extension is sent until the date you respond to the request for additional information. You will have 45 days within which to provide the necessary information.

2) Claims Denial Procedure

Any denial of a claim for benefits will be provided by the insurance company and consist of a written explanation which will include:

- i) the specific reasons for the denial;
- ii) reference to the pertinent plan provisions upon which the denial is based;
- iii) a description of any additional information You might be required to provide and explanation of why it is needed; and
- iv) an explanation of the Plan's claim review procedure.

You, Your beneficiary (when an appropriate claimant), or a duly authorized representative may appeal any denial of a claim for benefits by filing a written request for a full and fair review to the insurance company. In connection with such a request, documents pertinent to the administration of the Plan may be reviewed, and comments and issues outlining the basis of the appeal may be submitted in writing. You may have representation throughout the review procedure. A request for a review must be filed by 180 days after receipt of the written notice of denial of a claim. The full and fair review will be held and a decision rendered by the insurance company no longer than 45 days after receipt of the request for the review.

If there are special circumstances, the decision will be made as soon as possible, but not later than 90 days after receipt of the request for the review. If such an extension of time is needed, You will be notified in writing prior to the beginning of the time extension period. The decision after Your review will be in writing and will include specific reasons for the decision as well as specific references to the pertinent Plan provisions on which the decision is based.

ERISA AND EFFECT ON EMPLOYMENT

No one may fire You or otherwise discriminate against You in order to prevent You from obtaining a welfare benefit You are entitled to under the Plan or exercising Your rights under ERISA. However, nothing listed herein, or in any Plan document or insurance policy issued in connection with the Plan, shall be construed to say or imply that Your participation in the Plan is a guarantee of Your continued employment with Your employer. Your employment status shall not be affected by Your participation in the Plan or exercise of Your rights under ERISA.

YOUR RIGHTS UNDER ERISA

As a participant in the above described Plan, You are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to the following rights and protections under the law.

Receive Information About Your Plan and Benefits

As a participant in an ERISA covered Plan, You have the right to:

- Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.
- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The Administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate Your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of You and other Plan participants and beneficiaries. No one, including Your employer, Your union, or any other person, may fire You or otherwise discriminate against You in any way to prevent You from obtaining a welfare benefit or exercising Your rights under ERISA.

Enforce Your Rights

If Your claim for a welfare benefit is denied or ignored, in whole or in part, You have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, You may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until You receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If You have a claim for benefits which is denied or ignored, in whole or in part, You may file suit in a state or Federal court. In addition, if You disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, You may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if You are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If You are successful the court may order the person You have sued to pay these costs and fees. If You lose, the court may order you to pay these costs and fees, for example, if it finds Your claim is frivolous.

Assistance with Your Questions

If You have any questions about Your Plan, You should contact the Plan Administrator. If You have any questions about this statement or about Your rights under ERISA, or if You need assistance in obtaining documents from the Plan Administrator, You should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in Your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about Your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE LIFE AND HEALTH INSURANCE GUARANTY CORPORATION SUBTITLE

Residents of Maryland who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Maryland Life and Health Insurance Guaranty Corporation. The purpose of this is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty corporation will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty corporation is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Maryland Life and Health Insurance Guaranty Corporation may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Maryland. You should not rely on coverage by the Maryland Life and Health Insurance Guaranty Corporation in selecting an insurance company or in selecting an insurance policy.

Coverage is **not** provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Life and Health Insurance Guaranty Corporation. The Corporation is not a department or unit of the State of Maryland and the liabilities or debts of the Life and Health Insurance Guaranty Corporation are not liabilities or debts of the State of Maryland.

Following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the law or the rights or obligations of the guaranty corporation.

Coverage

Generally, individuals will be protected by the Life and Health Insurance Guaranty Corporation if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

Exclusions from Coverage

However, persons holding such policies or contracts are **not** protected by this Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized or licensed to do business in this state;
- Their policy was issued by Health Maintenance Organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Corporation also does **not** provide coverage for:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance, unless an assumption certificates have been issued;
- Interest rate yields that exceed an average rate;
- Any portion of a policy or contract to the extent that it provides dividends;
- Credits given in connection with the administration of a policy by a group contractholder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals).

Limits on Amount of Coverage

The statute also limits the amount that the corporation is obligated to pay. The corporation cannot pay more than the amount the insurance company would owe under a policy or contract. Also with respect to any one life, regardless of the number of policies or contracts with the member insurer, the corporation will pay a maximum of:

- \$300,000 in life insurance death benefits, but will not pay more than \$100,000 in life insurance cash surrender values; and
- \$300,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values; and
- \$100,000 in the present value of annuity benefits, including any net cash surrender and net cash withdrawal values.

These amounts are the maximum, no matter how many policies and contracts the insured has with the member company.
